

The DC Department of Health's HIV/AIDS, Hepatitis, STD and TB Administration (HAHSTA) provides free condoms to residents, businesses, and organizations in order to promote condom use and prevent the transmission of HIV/STIs. Businesses and organizations may partner with us to distribute condoms and lubricant at their sites.

Businesses and Organizations: You may order condoms and lubricant to be shipped to your site or you can pick them up in person on **Wednesdays only, between 9:30am to 4:30pm**. Orders may be placed online at **www.rubberrevolutiondc.com** or by contacting the Condom Coordinator directly at **(202) 671-4995** or at **condoms.doh@dc.gov**.

If you choose to pick items up, please schedule an appointment with the Condom Coordinator. When you arrive, please inform the Front Desk Receptionist of your appointment.

[NOTE: If you missed a previously scheduled appointment, kindly re-schedule with the Condom Coordinator.]

IMPORTANT NOTES:

Condoms and lubricant may only be distributed within the District of Columbia

Businesses and organizations that wish to become partners must be licensed to operate in DC

Magnums may only be distributed to entities that serve youth

Magnums, FC2s, certain Lifestyles products (non-latex, Ultra-Thin, Ribbed, Rough Riders, Ultra-Sensitive, Assorted Colors, and Tuxedo), silicone-based lubricant, and Dental Dams are only available for pick-up and cannot be delivered

Individuals: please feel free visit our office and take condoms from the basket in the reception area. You can also:

Order a package of free condoms and lubricant to be mailed directly to your home address by visiting our website at **<https://rubberrevolutiondc.com/get-condoms/>**

Call 311, and ask the representative where you can get free condoms

Parking Policy

All of our Condom Distribution partners are responsible for securing parking at their own cost. Parking in the DOH loading dock may result in being ticketed or towed. HAHSTA is not responsible for any parking tickets or towing fees associated with this Program.

If you require use of the loading dock to retrieve a condom order or if you need assistance with transporting your order, please notify the Condom Coordinator when making your appointment.
